

KAYAK TOUR ON THE RIVER ISLOCH

TYPE: a one-day kayak tour

DURATION: 5-6 hours

DISTANCE: 25 km

TIME AND DATES: Every day in June - August
(please contact for times and availability)

ROUTE:

Village Mezhdurechje – village Padnevichi – village Borovikovshcina - tourist camping Sutoki

DESCRIPTION OF THE RIVER AND ROUTE:

Isloch River flows within the Minsk Upland, Then the river passes through the Nalibokski Dense Forest, giving travelers an unforgettable experience from the surrounding nature and clean water.

This is one of the few rivers in Belarus, where the trout can be found. The banks are steep, the river is winding and narrow. To regulate the flow there were built three dams.

Distance from Minsk: 30-40 km

The length of the river is 102 km.

Places for camping can be found every 15-30 minutes

LEVEL AND REQUIREMENTS:

Medium / suitable for experienced but also can be recommended for beginners as well looking for bright impressions. Swimming skills are essential¹

HOW TO DRESS:

Outdoor clothing incl. a rain jacket and light footwear, sunscreen, swimming suite/ trousers. No cotton clothes (t-shirt, jeans etc.) if possible. Please have an extra set of clothes to change.

Also take a First Aid Kit, a snack and drinking water.

Other things are optional.

TECHNICAL TRANSFER: up to 8 kayaks – 0.4 EUR/km.

PASSANGER TRANSFER: independently (or on request)
